After School Description

Our school age program operates from school pick-up time until 5:30 pm. Students are picked up at their elementary school by a licensed and insured Premier School van and brought back to the center. Upon their arrival, children are served an afternoon snack. The school age children then have an opportunity to receive homework assistance from a teacher. At this time, teachers encourage the completion of assignments before recess or free time in the classroom. Outside recess is a daily routine for school age children, weather permitting. During free time, students may participate in organized group games, art activities or use the many puzzles, books, and board games available in the classroom.
