Our Staff

- ▶ At Premier Collaborations, our staff of degreed teachers have a true love of children; they are dedicated, experienced, and driven to help your child grow and reach that unlimited potential.
- ▶ Teachers and staff are constantly continuing their education to better serve your child and continue to deliver the unmatched attention and service that has made Premier Schools the parent's first choice in North Alabama.
- ▶ All teachers and staff are CPR and First Aid certified and undergo extensive background checks to ensure your child's safety and security while on campus.
- ▶ A low employee turnover rate means our teachers maintain that personal connection with your children and their education.
