

Premier Schools Parent View

"WHERE THE WONDERS OF THE WORLD UNFOLD"

As a parent you have a need to know that your child is safe and secure 24 hours a day, and we here at Premier Schools are dedicated to making sure that happens. Premier Schools are proud to offer a number of services that are exclusive to our facilities. One of these services is our Parent View network. Each of our classrooms is equipped with web cameras. Parents can log on through a secure link at madisonpremier.com, and enjoy images of their children learning, playing and experiencing the world, all day long. Also, share images of your children with loved ones who might not frequently see them. For more information on parent view and to see sample screen shots, visit our website at madisonpremier.com.

To register, please complete the form below and submit it to your director, Thank you.
